- Hi, I'm Gogul, a talented freelance graphic designer with 3 years of experience.
- I specialize in creating visually stunning elements for websites and products, as well as eye-catching posters for social media.
- I have a keen interest in UI/UX design and have successfully worked on 3 website UI designs.
- Additionally, I have also completed a project using React. I thrive in a creative environment and find joy in constantly pushing boundaries to create fresh and captivating designs.
